# HUMANITY CONNECTS

*A Non profit Corona Care initiative in Jharkhand*

SUPPORT

**Emergency Relief | Community Kitchen | Cash Support | Protective Gear Manufacturing**

Dear Friends and Colleagues

This is my second appeal to you in three days time. Thanks to your generous support , we have started our Corona Pandemic relief operation from yesterday. Today our partner extended cash and material support to select rural households at Bokaro district, Jharkhand. However, under current situation , we find cash is off limited use. With support from district administration we now have few passes to travel . So our team is now equipped to arrange packaged material support at doorstep . So, from tomorrow , we shall start material delivery. Also, we are likely to start manufacturing of some life saving equipment soon involving our SHGs members.

We are reaching out to one and all to mobilise physical and financial support. You can help us as a donor. Or, you may suggest a trusted local partner in any district of Jharkhand who would like to join 'Humanity Connects' initiative as a delivery partner. Thanks for your trust and kind gesture. To know more about how the program works , please log on to [kallolsaha.com](http://kallolsaha.com).

Together ,we can do it. For Sure.

Yours Truly

Kallol Saha
